EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it **MUST** be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Sprinkle on September 20, 2004.

The application has been amended as follows:

IN THE SPECIFICATION:

On p.5, line 23, after "26", insert --,such as silicone,--.

IN THE CLAIMS:

Claim 1, line 6, after "portion", insert --of--.

2. The above changes were made to amend the specification to provide antecedent basis for the subject matter recited in claim 3 and to amend claim 1 for purely grammatical reasons.

3. The following is an examiner's statement of reasons for allowance: Claims 1-8 are allowable over the Prior Art since the Prior Art fails to adequately teach or suggest all of the limitations of claim 1, particularly, a roller construction for detritus removal comprising a portion of at least one side edge of said strip being retrorsely folded over

and adhesively attached to said one side of said strip, and wherein the strip is wound from one end to the other into a cylindrical roll with the adhesive layer facing outwardly.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
